

NATE Continuing Education Opportunities

There are no NATE continuing education opportunities this month.

We have suggested to suppliers that they apply for continuing education hours when they plan their fall seminars.

You should ask them also.

Ashley Joins ABR

advisory board for HVAC. He serves on that panel with several other chapter members.

Phil lives in Irondequoit where he serves as a volunteer firefighter with the St. Paul Boulevard fire department.

Philip K. Ashley has joined ABR Wholesalers as an inside sales representative.

For the past seven years, he had been in operations at Van Hee Heating & Air Conditioning.

HVAC is Phil's second career. After spending 30 years as a toolmaker and CAD/CAM operator at Kodak, Phil went to Monroe Community College, where he earned his associates degree in HVAC. Today, he serves on the MCC
