## ABR Adds Tech Support Representative

*Scott Conner*

**Scott Conner** has joined ABR  
Wholesalers in a new technical  
support position.

For the past 15 years, Scott was  
with Tri-County Heating & Air  
Conditioning in Fulton, which is  
north of Syracuse. Before that, he  
worked with refrigeration compa-  
nies in Phoenix, Arizona.

Scott, who studied mechanical  
engineering at SUNY Oswego, is  
currently commuting from Fulton  
to Rochester. In the spring, he and  
his wife Renee plan to move to the  
Rochester area.

When not solving your HVAC  
technical problems, Scott enjoys  
hunting, fishing and motocross,  
although he concedes that his  
motocross activities are limited to  
spectating from the grandstands  
these days.

*Our New Years wish is that 2002 be your  
happiest, busiest, most prosperous yet.*
