

## VP Supply Adds Inside Sales Rep.

*Bill Nicholls*

**Bill Nicholls** has moved from counter sales to HVAC inside sales at VP Supply.

Three years ago, Bill, his wife Karen and two children moved to Rochester from Las Vegas. That's when he joined VP Supply.

Bill was born in Pennsylvania, but spent most of his life in Las Vegas, and spent his whole career there working for an HVAC supplier.

As a boating, fishing, skiing and softball lover, the Greece resident found a paradise here in the Finger Lakes region. He also found that we do things much differently in the HVAC business.

We welcome Bill to his new position at VP Supply and look forward to welcoming him to some ACCA meetings.

## ABR Needs Your Help

**Pat Dougherty**, an ABR employee in Buffalo for the last 12 years, died on May 19, and **Jody McGarry** is asking ACCA members to help ABR help Pat's family.

For the past five years, Pat had been fighting a cancerous brain tumor. His cancer progressed to the point that it was inoperable. His wife of a year, Donna, took a leave of absence from work to care for Pat at home, rather than through hospice.

On June 1, ABR held a Chinese Auction in Buffalo to help Donna with medical expenses, in-home hospice care and funeral expenses.

We knew it would be impossible

to get this issue in your hands before June 1, but if you would like to help anyway, you can send a donation to the Pat Dougherty Fund at ABR Wholesalers.

If you want additional information, contact Jody at 482.3601.
