

# Gold Level Associate Member ABR Wholesalers

ABR Wholesalers is growing. You can now enjoy this family-owned distributorship's service, products and Rheem equipment in Central New York, Western New York and the Finger Lakes.

The photos on this page show the counter, showroom and warehouse of ABR's new 13,300 square foot Protech store in Syracuse. The new store, located at 222 Teall Avenue, had a quiet opening, and a grand opening will be announced soon.

The new store's phone number is 315.422.8064 and the fax is 315.478.1798.

ABR has also been busy on

the other end of its territory. As you read this, the wholesaler will be opening a new showroom in Buffalo that is similar to the Rochester showroom. The new showroom has been built by moving the counter to the back of the store and putting self service products out front. The location is still 94 Benbro Drive.

Now all three stores offer self-service sections, as well as completely stocked warehouses.

As you can see from the ad on page 1, ABR is all ready to introduce the new 13 SEER products, and is beginning to promote this new line.
