

ALA Walk May 6

The America Lung Association walk is scheduled for Saturday, May 6, 2006, at Genesee Valley Park. The walk is called "Blow the Whistle on Asthma Walk."

Registration will begin at 9:00 AM and the walk will begin at 10:00 AM. We are encouraging members to form teams to raise funds for the walk. For information on forming a team, go to the American Lung Association website, www.alanys.org, click on 2005 walk and follow the steps from there. The year "2005" is correct; they have not updated their web page.

Since we do indoor air quality, this is a logical tie-in with ACCA. Two years ago, several member companies fielded teams, and we hope to have more representation this year.

Johnstone Slates Motor Seminar

Thursday, May 11 in Rochester and the day before in Syracuse. Johnstone Supply and Emerson Climate Technologies will present "Sam the Motor Man" Krumholz's Fundamentals of AC Induction Motors seminar.

This course qualifies for four credit hours of NATE continuing education credit.

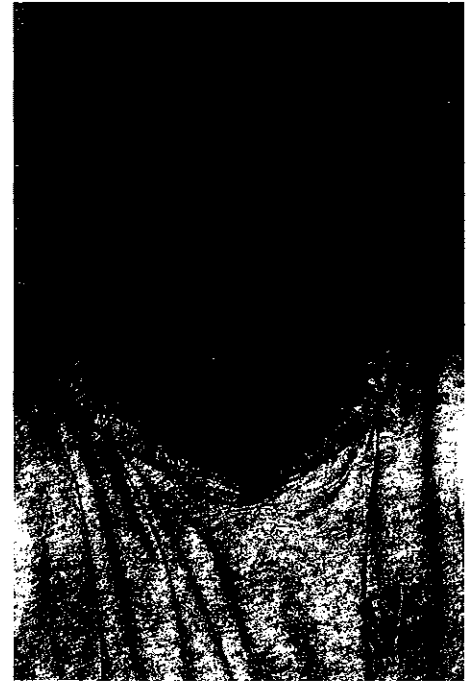

Both sessions are from 6:00 PM - 9:00 PM at Johnstone training centers - 95 Halstead Street in Rochester and 1200 Burnet Avenue in Syracuse. The \$80 per person fee includes dinner.

Registration deadline is Wednesday, May 3. For information, call your local Johnstone Supply store or email jet@johnstone-supply.com.
