

New Meeting Schedule

Your board has considered a number of options to make it easier for members to attend meetings.

We will try one of these proposals at the September 11 meeting.

This meeting will begin with gathering and cocktails at 5:30, dinner at 6:00, with the program following right after dinner.

The board believes that people would rather come to the meeting right after work.

This schedule also means that you should get home earlier.

We will seek your comments and input at the September meeting, and determine if you want this schedule to become permanent.

ABR Open House Draws The Industry To Goodman Street

As usual, Chef Matt did his usual great job of cooking and gently serving hot dogs (no bams here).

More food and good counter service were on the menu inside.

HVAC folks occupied every patch of grass, picnic tables, and leaned against vehicles.

On such a nice day, vendors displayed their wares outside by the food.
