

## Suppliers To Host Open Houses

### ABR Wholesalers

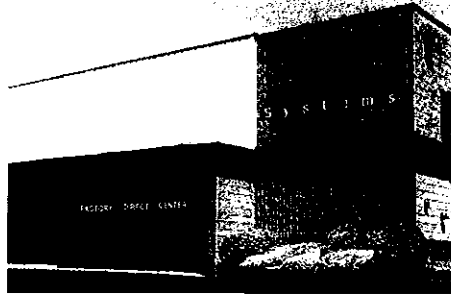

We gave you a sneak peak at ABR Wholesaler's showroom renovations in the July issue. On Thursday, November 20, you can see the new facilities at an open house.

ABR is a ProStock dealer, which is Rheem's aftermarket parts program, and the new layout makes shopping for parts easier.

So, plan to visit ABR Thursday, November 20, 11:00 a.m. to 2:00 p.m. See the new showroom, enjoy lunch by the Beale Street Cafe and register for door prizes.

### Northern-Air

When we introduced you to Northern-Air's new Factory Direct Center last month, we said they would officially open it with an open house. That open house is scheduled for Wednesday, November 12, 11:00 a.m. - 2:00 p.m.

Visit Northern-Air's open house at noontime to see the new product line and a live demonstration of the on-line ordering system, and enjoy lunch. Then come to the ACCA chapter meeting for dinner and you'll have a great day out!

## HVAC Expo 2004 Update

Plans are moving forward on the spectacular HVAC Expo to be held Wednesday, April 21, 2004 at the Diplomat Banquet Center in Gates.

As soon as you get your 2004 calendar, block out 2:30 p.m. to 7:30 p.m. You can stop in anytime during show hours to visit the booths and enjoy food and beverages.

The grazing menu will include a carving station with top round beef and turkey breast with rolls and condiments, Swedish meatballs, pizza rolls, potato skins, chicken fingers and cheese and crackers.

Door prizes will be awarded throughout the day, with a grand prize worth \$400 awarded at the end of the show.

Best of all, the price is right. FREE!

This will be your chance to see all that's new in the industry, all in one place. And, there should be lots to look at, too. Your board members are talking to associate members, and report a lot of interest among suppliers.

Watch these pages, your mailbox and your suppliers' showrooms. HVAC Expo 2004 promotion will soon pop up all over!
