

# Rheem Honors Isaac For Second Straight Year

For the second year in a row, Rheem Manufacturing has named Isaac Heating & Air Conditioning North East Region Contractor of the Year.

The award is presented to a contractor who has shown excellence, dedication and volume. It was noted last year that Isaac inspired creation of this award.

Ray Isaac said, "It's nice to be recognized. Rheem is a great brand, and we are happy to be associated with a manufacturer who recognizes its contractor partners."

Pictured above are the ABR Wholesalers team, Rheem officials and the people who made it all happen – the Isaac staff and management. The award is pictured at the above right.

Note that the group photo was taken in the shop because Ray wanted all the people who contributed to the company's success in the picture, and that was the only place big enough.
