

ABR Holds Syracuse Grand Opening

On Thursday, May 18, the skies over Syracuse were gray; rain

threatened, but it didn't come. Instead, more than 150 contractors

came to visit the new ABR Wholesale branch at 222 Teall Avenue.

Tours of the new facilities were held. Visitors looked over a big, trailer mounted unit, and other activities took place throughout the day. But the real treat was Dinosaur

BBQ for lunch.

If you want to contact the new ABR Syracuse branch, the phone number is 315.422.8084.
