Coils are constructed of enhanced aluminum fins bonded to inner grooved copper tubing. Coils have sweat fitting refrigerant connections. Coils are ARI certified for a wide application of Rheem products. Coils have a drain pan made of high grade, heat resistant, corrosion free polymer material. Coils have a double wall construction that provides sturdiness, dead air space insulation, and sound attenuation. For horizontal application, install a horizontal drain pan.

Accessories	Description
RXBD-CA, DA	Horizontal Drain Pan Kit
RXBA-AA, AB	Internal Coupler Accessory
RXBA-AC, AD, AE	Plenum Adapter Accessory

Warranty Information
MultiFlex Coil Leaks due to factory defect - Five (5) Years Any Part - Five (5) Years
