RGRK-12ERAJS	120,000 (35.17)	113,000 (33.12)	24 1/2x28 1/16x34	1,900	3/4 (4 PSC)

Patented heat exchanger provides maximum corrosion resistance. Low profile design is lighter and easier to handle. Left/Right gas, electric and condensate drainage connection on upflow models. An integrated control board manages all functions and provides hookups. An insulated blower compartment, slow opening gas valve and specially designed inducer system makes the unit extremely quiet. Cabinet is made of pre-painted galvanized steel. Optional indoor or outdoor combustion air. Transformer and control fuse protection. Control board diagnostics and solid bottom.

Accessories	Description
RXGY-E03, RXGY-D02, 03, 04	Vent Termination Kits
RXGY-B01, A01	Condensate Pump and Neutralizer Kits
RXGR-C17B, 21B, 24B	Return Air Plenums
RXGY-F18, 19, 20, 21	High Altitude Kits
RXGF-CB	External Bottom Filter Rack
RXGF-CA	External Side Filter Rack
RXPF-F01, 02	Fossil Fuel Kits

Warranty Information

Primary and Secondary Heat Exchanger - Limited Lifetime
Any Other Part - Ten (10) Years Conditional Parts Warranty
