

## Self-Contained Cooling Package Units

### RLKA Standard Efficiency Series 3 through 7.5 Tons

### RLMA High Efficiency Series 3 through 6 Tons

Model #	Gross Cooling Capacity BTU/h (Kw)	EER / SEER	Indoor CFM
RLKA-A036CL00	36,000 (11)	9.4/10.2	1,200
RLKA-A048CL00	50,000 (14.6)	9.8/10.4	1,600
RLKA-A060CL00	63,000 (18.5)	9.3/10.1	2,000
RLKA-A072CL00	75,000 (22)	9.8/NA	2,400
RLMA-A036CL00	37,600 (11)	10.5/12	1,200
RLMA-A048CL00	50,000 (14.6)	10.5/12	1,600
RLMA-A060CL00	61,000 (17.9)	10.5/12	2,000

Copeland scroll compressor for maximum efficiency and quietness. One piece top for superior water management. Easy airflow conversions. Number and color coded wiring assists in easy maintenance. Freezestat control offers coil freeze protection. Electric Heat Kits available. Easy to install economizers. Powder paint finish supplies protection against the elements.

ACCESSORIES		
Model Number	Description	Factory Installation Available
RXKG-BAD14	Roofcurb 14"	No
RXKG-BAD24	Roofcurb 24"	No
RXRX-BBCDB21, 22, 23	Roofcurb Adapters	No
RXRD-KECM3	Economizer with Single Enthalpy	Yes
RXRX-AV02	Dual Enthalpy Kit	No
RXRX-AR01	Carbon Dioxide Sensor Only	No
RXRX-BFF04C	Power Exhaust (D and Y can also be used on the RLMA Series)	No
RXRF-FBA1	Fresh Air Damper Manual	No
RXRF-FBB1	Fresh Air Damper Motorized	No
RXMC-CB03	Rectangular to Round 18" Duct Adapters for Concentric Diffuser	No
RXMC-CB04	Rectangular to Round 20" Duct Adapters for Concentric Diffuser	No
RXRN-FA60	Concentric Diffuser 18" Step	No
RXRN-FA70	Concentric Diffuser 18" Flush	No
RXRN-FA65	Concentric Diffuser 20" Step	No
RXRN-FA75	Concentric Diffuser 20" Flush	No
RXMC-BB01	Rectangular to Round 16" Side	No
RXRX-AAD01B	Louver Kits (3 Sides)	Yes
RXAC-A02	Low Pressure Control	Yes
RXMD-B01	Time Delay	Yes
RXRZ-A18	Low Ambient Control Kit	Yes

**The Following Accessories are Applicable to the RLKA Series Only**

<b>Model Number</b>	<b>Description</b>	<b>Factory Installation Available</b>
RXRX-AAD01A	Louver Kit (2 Sides)	Yes
RXAB-A02	High Pressure Control	Yes
RXAC-A02	Low Pressure Control	Yes

<b>Warranty Information</b>
Electric Heating Elements for Optional Electric Heating Kits - Five (5) Years Condenser Coil and Evaporator Coil leaks due to factory defects (3 - 5 ton) - Five (5) Years Compressor (12 SEER 1 phase models) - Ten (10) Years Any Other Part - One (1) Year
