

REZNOR[®] Unit Heaters

UEAS Series V3 Sealed Combination High Efficiency Unit Heaters

Model #	Heating Input BTUH (Kw)	Heating Output BTUH (Kw)	Vent Outlet Diameter (inches)	Standard Motor HP	Air Volume CFM	Approximate Shipping Weight lbs (kg)
UEAS 130	131,000 (38.4)	121,830 (35.7)	4	1/4	2,256	255 (116)
UEAS 180	175,000 (51.2)	159,250 (46.6)	4	1/4	2,458	270 (122)
UEAS 260	260,000 (76.1)	239,200 (70.0)	4	1/2	4,430	385 (175)
UEAS 310	305,000 (89.3)	277,550 (81.3)	4	1/2	4,283	420 (190)

The most efficient unit heater in the world - up to 93% thermal efficient, T CORE titanium stabilized aluminized steel primary heat exchanger with extruded aluminum MacroChannel secondary heat exchanger, T CORE single burner combustion system including a one-piece burner assembly, integrated circuit board, multi-try direct ignition with 100% lockout, fan relay, single stage natural gas valve, shipped for natural gas with FREE propane kit, vibration/noise isolated fan motor, sealed control compartment houses all electrical components 48 frame ball bearing PSC venter motor, 4-point suspension, built-in disconnect switch, external terminal strip for 24-volt wiring, sealed junction box for supply wiring, external gas connection, fully gasketed door panel with safety door switch, full fan guard, improved cabinet design for less visible hardware, 40% smaller than previous generation.

Accessories

Horizontal or vertical combustion air/vent kit including concentric adapter
Thermostat
Thermostat guard with locking cover
Vertical louvers
Downturn nozzle kits
Manual shutoff valves

Warranty Information

For the original owner-user the Reznor unit will be free from defects in materials or workmanship. This warranty is limited to twelve (12) months from the date of the original installation, whether or not actual use begins on that date or eighteen (18) months from date of shipment by Reznor, whichever comes first. Extended nine (9) year non-prorated warranty on the heat exchanger, burner, and flue collection box assembly. Extended four (4) year non-prorated warranty on all electrical and mechanical operating components.
